FOR BORDERS & SASHING CUT:

- (4) 1½" x 5½" for sashings

ALTERNATE WORD OPTION: JINGLE BELLS

Simply leave a 'letter' size space between the two words!

Just a reminder, the lettering for this QAL is from the pattern-for-purchase **Mini Alphabet Quilt** by **Primitive Gatherings** (PRI 442). You can find the pattern at your local quilt shop (or they can order it for you), and select retailers have the pattern as a PDF download.

We're giving you the words assembly along the way every month, but if you want to work ahead, here's a summary of how to calculate your sizing:

- A. Each Letter Finished = 4"x5"
- B. Each Sashing between Letters Finished = 1"x5"
- C. Each Top/Bottom border Finished = 1"x (width of letters + sashings)
