

Cutting

A	(4) 2" squares
B	(1) 3.5" square
C	(4) 2" x 3.5" rectangles

Block is 6.5" square

Assembly

1. Sew an A square, a C rectangle and another A square together in a row. Make two. Press towards the A squares.
2. Sew a C rectangle, the B square and a C rectangle in a row. Press toward the B square.
3. Sew the three rows together, nesting the seams.
4. Trim to 6.5" square.
