

Cutting

A	(5) 2.5" square
B	(12) 1.5" squares
C	(4) 1.5" squares

Block is 6.5" square

Assembly

1. Sew a C square to a B square. Press to the darker fabric. Make four.
2. Sew a B square to another B square. Press to one side. Make four.
3. Sew these together to make four 4 patches.
4. Sew a four patch, an A square and another four patch together to form row A. Press towards the A square. Repeat to form row B taking care with orientation of your four patch.
5. Sew the remaining three A squares together, pressing away from the centre A square.
6. Sew the three rows together in the layout above.
7. Trim to 6.5" square.
