

Cutting

A	(1) 2.5" square
B	(4) 2.5" square
C	(2) 3" squares
D	(2) 3" squares

Block is 6.5" square

Assembly

1. Place one 3" C square right side together with one 3" D square. Mark a line along the diagonal. Sew a scan 1/4" either side of that diagonal line.
2. Cut along the diagonal line. Press to the darker side. Trim the Half Square Triangles (HST) to 2.5" square. Repeat for the other C and D squares.
3. Sew the three rows together as per the diagram above.
4. Trim to 6.5" square if needed.
