

## Cutting

A (20) 1.5" square

B (16) 1.5" square

## Assembly

1. Each quarter/plus sign can be its own colourway if you would prefer.
2. Take (5) A squares and (4) B squares and layout in a cross. Sew the first row of three squares together. Then the second row of three squares. Then the third row of three squares. Press each row in an alternate direction. Sew the three rows together. Trim to 3.5" square.
3. Repeat for the other three quadrants.
4. Layout the four crosses in a 2 x 2 grid. Sew the top two together and press the seam to the left. Sew the bottom two together and press to the right.
5. Sew the two rows together, nesting the centre seam.
6. Trim to 6.5" square.
