MAKE MODA LOVE CHARM QUILT BLOCK

MAKE HEART BLOCKS

1. Gather (56) $2\frac{1}{2}$ " x $4\frac{1}{2}$ " prints rectangles, (56) $2\frac{1}{2}$ " background squares, and (112) $1\frac{1}{2}$ " background squares in order to make (28) $4\frac{1}{2}$ " Heart Blocks.

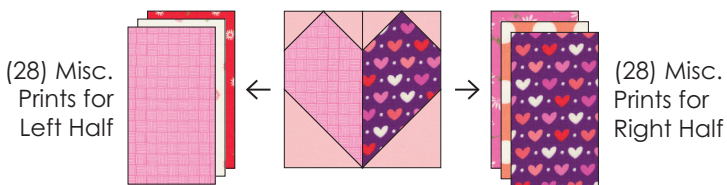

2. On the Wrong Side of all of the Background Squares (both $2\frac{1}{2}$ " and $1\frac{1}{2}$ " sizes), use a fabric pencil or other marking tool to mark a diagonal line across the squares.

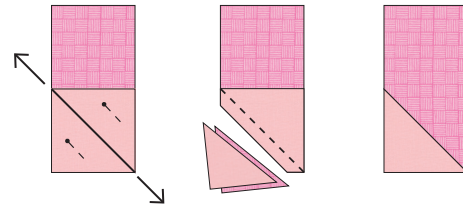

Before you continue making hearts, we recommend deciding the fabric pairings for either side of the heart blocks as some get corners one direction, and some the other. You don't want to get part way through and realize you don't like the distribution of your prints!

3. Separate your heart prints out into (28) Left Heart Half Units and (28) Right Heart Half Units.

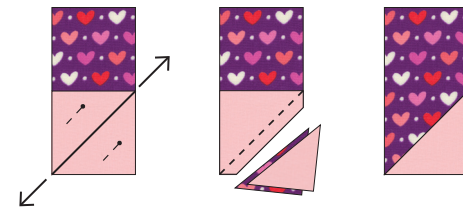

4. Starting with the (28) Left Heart Half Units, layer (28) $2\frac{1}{2}$ " background squares Right Sides Together as shown, with the marked line 'cutting off' the bottom left corner of the print rectangle. Pin to secure.

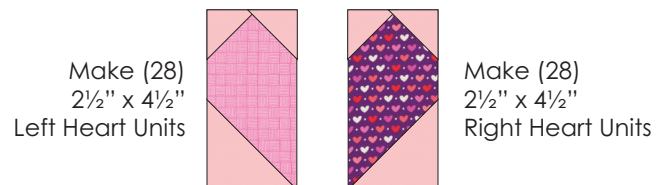

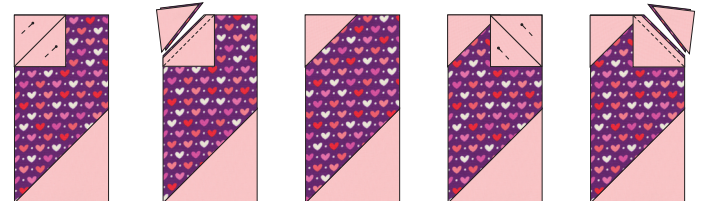

5. Stitch along the marked line. Trim off a $\frac{1}{4}$ " seam allowance, making sure to cut on the outside of the sewn seam. Press seam open.

6. Repeat for the (28) Right Heart Half Units, making sure to switch the direction of the marked line to be 'cutting off' the bottom RIGHT corner of the print rectangle.

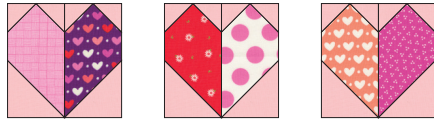

7. Add points to the top of all Heart Half Units using the (112) $1\frac{1}{2}$ " background squares. Using (56) $1\frac{1}{2}$ " squares, make all of the top-left corners, following the same process as Steps 4-5. Repeat for the top-right corners. You will have (28) $2\frac{1}{2}$ "x $4\frac{1}{2}$ " Left Heart Half Units and (28) $2\frac{1}{2}$ "x $4\frac{1}{2}$ " Right Heart Half Units.

CONSTRUCTION (CONT'D)

Use a scant $\frac{1}{4}$ " seam allowance unless otherwise noted.
Press seams open, or to the side where noted.

8. Join Left and Right Half Heart Units to make (28) heart blocks. Press seams open or to one side. Blocks will measure $4\frac{1}{2}$ "x $4\frac{1}{2}$ ".

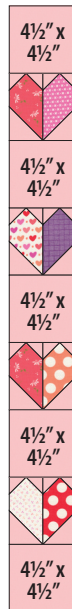

Make (28) $4\frac{1}{2}$ " x $4\frac{1}{2}$ " Heart Blocks

PREP BORDERS & BINDING

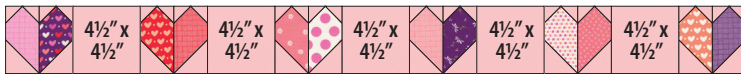

1. Lay out heart blocks as shown in assembly diagram, to check you are happy with fabric placements before sewing. **NOTE: Make sure all hearts face 'up' the same direction!**

2. Gather (8) Heart Blocks and (10) $4\frac{1}{2}$ " Background Squares to make (2) Side Heart Columns. Join into (2) columns, alternating Background and Heart Blocks, and press seams toward the Background Squares. Side Heart Columns will measure $4\frac{1}{2}$ " x $36\frac{1}{2}$ ".

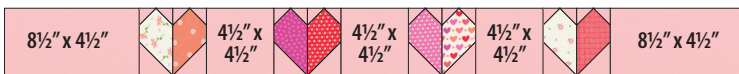

Make (2) Side Heart Columns, $4\frac{1}{2}$ "x $36\frac{1}{2}$ "

3. Gather (12) Heart Blocks and (10) $4\frac{1}{2}$ " Background Squares to make (2) Long Heart Rows. Join into (2) rows, alternating Hearts and Background Squares, and press seams toward the Background Squares. Long Heart Rows will measure $44\frac{1}{2}$ " x $4\frac{1}{2}$ ".

Make (2) Long Heart Rows, $44\frac{1}{2}$ " x $4\frac{1}{2}$ "

Make (2) Short Heart Rows, $44\frac{1}{2}$ " x $4\frac{1}{2}$ "

moda

4. Gather (8) Heart Blocks, (4) $8\frac{1}{2}$ " x $4\frac{1}{2}$ " Background Rectangles, and (6) $4\frac{1}{2}$ " Background Squares to make (2) Short Heart Rows. Join into (2) rows, alternating Background and Heart pieces with the $8\frac{1}{2}$ " rectangles on either end. Press seams toward the Background Squares. Short Heart Rows will measure $44\frac{1}{2}$ " x $4\frac{1}{2}$ ".

5. Gather (6) $4\frac{1}{2}$ " x WOF strips set aside for Outer Borders. Join end-to-end, pressing seams open. Subcut (2) $4\frac{1}{2}$ " x $56\frac{1}{2}$ " Outer Side Borders, and (2) $4\frac{1}{2}$ " x $52\frac{1}{2}$ " Outer Top/Bottom Borders.

6. If your useable Width of Fabric length is $44\frac{1}{2}$ " or greater, you do not need to piece the Heart Sashings, simply trim to size. Gather (2) $2\frac{1}{2}$ " x WOF strips & (2) approx. $2\frac{1}{2}$ " x 10" pieces set aside for Heart Sashings. Join a 10" piece to the end of each WOF strip, then trim down to (2) $2\frac{1}{2}$ " x $44\frac{1}{2}$ " for Heart Sashings.

7. Join (6) $2\frac{1}{2}$ " x WOF Binding strips end to end on the bias to make one long strip. Trim $\frac{1}{4}$ " seam allowance, and press seams open. Fold in half longways (hot dog style) Wrong Sides Together, and press to set the fold along the width of binding. Set aside for when you're finished quilting.
