

**PLEASE NOTE:** B triangles are shown using (2) fabrics. Adjust cutting according to quantity of fabrics you wish to use.

## Cutting

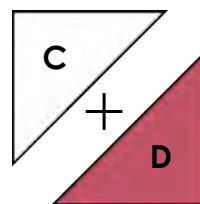

Cut Square Once Diagonally

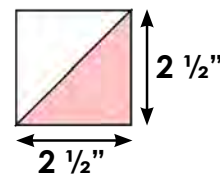

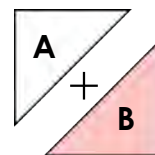

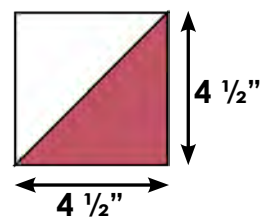

<b>A</b>	(8) $2\frac{7}{8}$ " squares; cut each square once diagonally to make (16) A triangles. Please note: (1) triangle will be unused.
<b>B</b>	(8) $2\frac{7}{8}$ " squares; cut each square once diagonally to make (16) B triangles. Please note: (1) triangle will be unused.
<b>C</b>	(1) $4\frac{7}{8}$ " square; cut the square once diagonally to make (2) C triangles.
<b>D</b>	(1) $4\frac{7}{8}$ " square; cut the square once diagonally to make (2) D triangles.
<b>E</b>	Cut (2) $2\frac{1}{2}$ " x $6\frac{1}{2}$ " rectangles.
<b>F</b>	(1) $4\frac{1}{2}$ " square; cut once diagonally to make (2) F triangles.
<b>G</b>	(1) $1$ " x $6\frac{1}{2}$ " rectangle.
<b>H</b>	(3) $2\frac{1}{2}$ " squares.

## Assembly

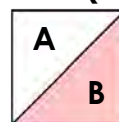

- Both small and large HST units are needed to create this block. Begin large HST unit assembly by placing (1) C triangle and (1) D triangle right sides together and edges aligned.
- Sew along the longest edge using a  $\frac{1}{4}$ " seam.
- Trim HST unit to measure  $4\frac{1}{2}$ " x  $4\frac{1}{2}$ " unfinished. Press toward the dark fabric.
- Repeat to create (2) identical large HST units.
- Begin small HST unit assembly using the same techniques described above and (15) A and B triangles. (Please note: Diagrams and quilt block is shown using (2) small HST unit colorways.)
- Trim small HST units to measure  $2\frac{1}{2}$ " x  $2\frac{1}{2}$ " unfinished.

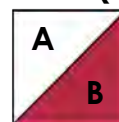

**Make (2)**

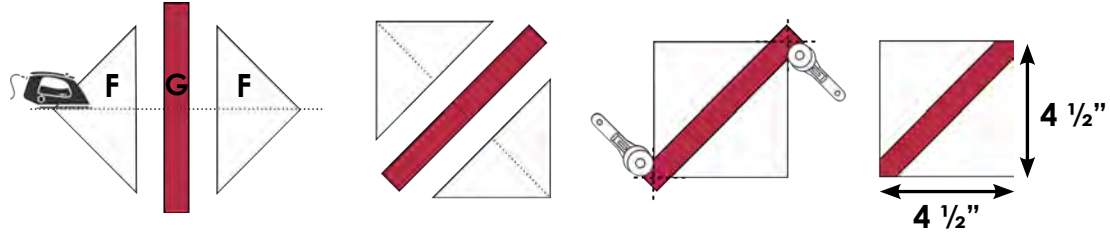

**Make (11)**

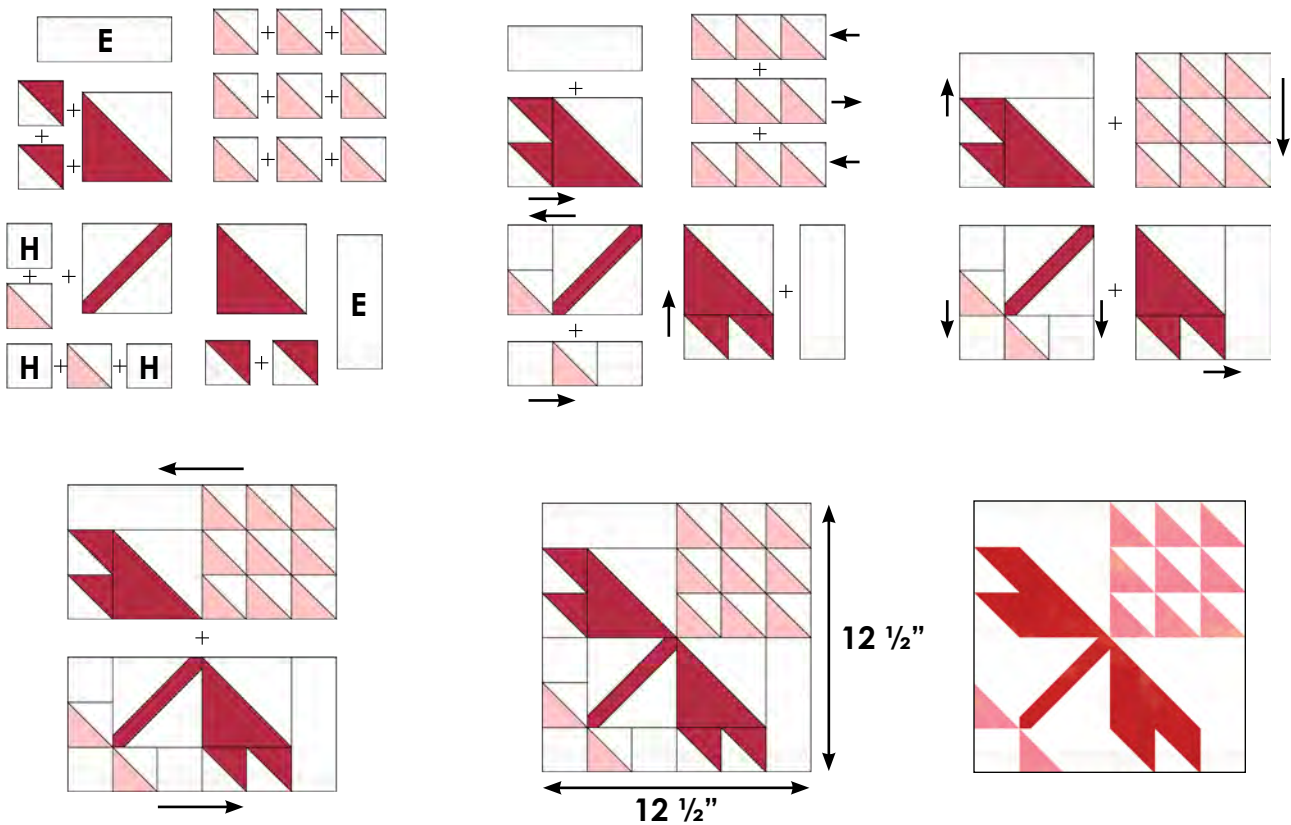

**Make (4)**

- Create the block stem using (1) G rectangle and (2) F triangles. Begin by pressing the F triangles and the G rectangle in half to mark the exact centers with a crease.
- Line up the creased centers and sew (1) F triangle onto either side of the G rectangle.
- Press triangles away from the G rectangle.
- Remove excess fabric, trimming the stem to measure  $4\frac{1}{2}$ " x  $4\frac{1}{2}$ " unfinished.

- Layout all units created in the above steps, (2) E rectangles and (3) H squares as shown. Sew the block together in quadrants. Arrows indicate pressing instructions.
- Sew the quadrants together to complete the block. Press to complete. Block should measure  $12\frac{1}{2}$ " x  $12\frac{1}{2}$ " unfinished.

Be sure to share your block and progress online!
