

Cutting

(PLEASE NOTE: The block shown uses the same fabric for the B and E cut pieces, and the same fabric for the C and F cut pieces. Use a scant 1/4" seam when piecing this block.)

A	(10) 3" squares; cut each square once diagonally to make (20) A triangles.
B	(5) 3" squares; cut each square once diagonally to make (10) B triangles.
C	(5) 3" squares; cut each square once diagonally to make (10) C triangles.
D	(1) 7 1/4" square; cut the square twice diagonally to make (4) D triangles.
E	(1) 4 1/4" square; cut the square twice diagonally to make (4) E triangles.
F	(1) 4 1/4" square; cut the square twice diagonally to make (4) F triangles.

Cut Square Once Diagonally

Cut Square Twice Diagonally

Assembly

1. Begin HST unit assembly by placing (1) A triangle and (1) B triangle right sides together and edges aligned.
2. Sew along the longest edge using a 1/4" seam. Press toward the A triangle.
3. Trim the A/B HST unit to measure 2 5/8" x 2 5/8" unfinished. Repeat to make (10) A/B HST units.
4. Repeat HST unit assembly using (10) A triangles and (10) C triangles. Press toward the C triangles. Trim A/C HST units to measure 2 5/8" x 2 5/8" so that all HST units are the same size.
5. There should be (10) A/B HST units and (10) A/C HST units. Keep units separated by color for organization.

Make (10)

Make (10)

6. The block will be assembled diagonally. One section will run from the top left corner to the bottom right corner. The top right corner is a section and the bottom left corner is a section. Lay out A/B HST units, A/C HST units, D triangles, E triangles and F triangles are shown. HST units are turned throughout and colors alternated. Please note that the longest edges of the D triangles will create the sides of the block.

- Once you have confirmed that all units are placed correctly, begin sewing the center section together. HST units have been pressed to allow the seams to nestle. The diagrams show the center section in all stages of assembly. Arrows indicate pressing instructions, or press open.
- Sew the center section together and press thoroughly.

- Begin assembling the corner sections as shown. Ensure that HST units still alternate between fabrics during assembly. Arrows indicate pressing instructions.
- Sew the corner sections together and press thoroughly.

- Sew both corner sections onto both long edges of the center section. Use pins to help align and nestle seams.
- Once sewn, press seams outward and toward the corners to complete the block. Block should measure 12 1/2" x 12 1/2" unfinished.

Be sure to share your block and progress online!
